

Commission To Consider An Extension

Harrisburg (AP)—Gov. John S. Fine yesterday lifted a no hunting ban in 16 counties in Western Pennsylvania, effective today.

Hunting and fishing will be permitted in Armstrong, Beaver, Butler, Cameron, Clarion, Crawford, Elk, Erie, Forest, Jefferson, Lawrence, McKean, Mercer, Potter, Venango and Warren counties.

A snowfall in the western part of the state brought a recommendation from the State Game Commission to lift the ban partially.

The no hunting prohibition was set up on a statewide basis by Fine a week ago yesterday. The small game season was due to open Nov. 1.

For the remainder of the state, the ban against hunting, fishing and trapping continues with the exception of fishing and hunting of waterfowl on the Susquehanna River, including West and South branches and on all of the Delaware River.

Waterfowl hunting and fishing will not be permitted on any of the tributaries of the two rivers or any tributaries of its North or West branches.

Fine said in a proclamation that smoking, burning of camp fires or brush within 200 feet of woodland is prohibited throughout Pennsylvania.

Hunters may take to the fields at 7 a.m. tomorrow in the authorized areas.

Less than an hour before Fine acted, the State Game Commission called a special meeting "within a few days" to consider extending the small game season to make up for days being lost under the indefinite suspension.

Thomas D. Frye, executive director of the commission, said no definite time had been set for the meeting.

"The dates upon which the extension will be effective must be decided at the meeting and will be announced later," Frye said.

The weather bureau reported that on the whole precipitation for the state during the last week had "not been anything to talk about."

A detailed breakdown showed that except for two northern counties which had snowfall totaling four inches in the last day or so, no area had received more than a tenth of an inch precipitation.

The bureau received these reports today, all based on the measurement of melted snow: Hazleton area, Williamsport, Philadelphia, Brookville, Altoona, all only a trace; Blairsville, 0.3 of an inch; Potter County, and Warren, about one inch snow on top of three inches of old snow, Southeastern counties and Southwestern area, hardly any.

A forecaster said the snow did not have a high water content and that winds ranging from 15-30 miles an hour over most of the state had caused rapid evaporation of what moisture there was.

Also today in New York Gov. Thomas E. Dewey reopened woodlands of the state after a one week ban on hunting. The ban removal applied to all but 15 counties of the state. His order was based on reports of rangers of the New York State Conservation Department.

Light Snow Falls Here, No Accidents

Light, persistent snow fell on most regions of Monroe county yesterday resulting in slight traffic hazards in upper sections.

State police at the Mount Pocono barracks reported snow throughout the day there. At 6 p.m. the roads were wet and "slushy" in some spots in that vicinity.

No accidents had been reported by 10 p.m., although it was still snowing in and around Mount Pocono—an estimated one inch snowfall was reported for the day.

Snow "squalls" were reported by State police at the Brodheadville substation, but the falling moisture had little effect on highways.

In lower regions of the county, around Stroudsburg and East Stroudsburg, the snow disappeared as fast as it fell. During the afternoon a cold, fitful rain put in an appearance in the two boroughs.

No snow had been reported in Pike county as of 10 p.m. last night, according to Milford State police.

19 Men Missing Aboard AF Plane

Fairbanks, Alaska (AP)—A big Air Force plane, one of 40 which flew to Alaska last week for "Exercise Warmwind" Arctic maneuvers, disappeared early yesterday with 19 men aboard.

Flying from Elmendorf Field at Anchorage on Cook Inlet to the interior, the C119 "Flying Packet" gave a last radio report over Summit, Alaska, on the Alaska Railroad. The weather was fair with good visibility and the plane was cleared to fly on to Nenana on a planned hop to Big Delta, 100 miles south of here.

Five Air Force men from the 435th Troop Carrier Group of the Miami, Fla., International Airport and 14 Army men "on temporary duty in Alaska in connection with Exercise Warmwind" were aboard.

Search efforts got under way early in the day and 19 planes were in the air, under Maj. Joe Walker, commanding officer of Flight D of the 10th Rescue Squadron at Ladd Field.

By late afternoon all the valleys along the missing aircraft's planned route had been searched from the air and the planes were concentrating in the vicinity of Mount Deborah, 10th Rescue Squadron headquarters said. The entire area is now covered with snow.

The names of the men aboard the plane were withheld. It had left Anchorage at 2 a.m. Alaska time Midnight PST and was last heard from at 2:30 a.m.

Chest Officials Move To Wind Up Their Campaign; \$19,000 Still Required

(See Editorial on Page 4)

Members of the campaign committee of the Monroe County Community Chest met yesterday afternoon with division leaders at the YMCA in Stroudsburg in an attempt to find out if the various divisions had completed all calls in the Chest's lagging drive for a \$64,980 fund.

With only 70 per cent of the total reached, Chest officials listened yesterday as division leaders announced most of their individual drives were finished.

Walter Peeney, chairman of the Chest campaign committee, then requested the remainder of the division chairmen to complete their drives as quickly as possible so that the Chest office may begin a double-check of the card files on donors for last year as compared to contributions for this year's drive.

Miss Ethel West, executive secretary for the Chest, will have charge of the card-checking routine which will be completed next week.

"Sometime within the next 10 days," Peeney said, the Chest division leaders and workers will be asked to meet at the Penn-Stroud Hotel.

At this meeting, the chairman continued, cards will be distributed in an effort to contact contributors who fell behind their 1951 pledges.

A few contributions continued to come in, division leaders indicated yesterday. During the afternoon meeting a donation from a club, which is not affiliated with the Federation of Clubs, was announced.

Meanwhile, campaign committee members and division leaders alike, began preparing themselves for the final effort to put the Chest goal "over the top" during November.

Charged As Embellezer

Philadelphia, (AP)—A 45-year-old woman teller at the suburban Swarthmore National Bank and Trust Co. was charged with embellishing \$35,338 over a four-year period by the FBI yesterday.

William L. Hinz, assistant agent in charge of the Philadelphia office of the FBI, identified the teller as Miss Margaret M. Devine, 43, of Swarthmore, an employee of the bank for 30 years.

Hinz said the woman had confessed and quoted her as saying "she used the money for extravagances in her own living."

Top Secret Note Is Sent By President

By Marvin L. Arrowsmith

Augusta, Ga. (AP)—President-elect Dwight D. Eisenhower, responding to a "top secret" message from the White House, yesterday assured President Truman he will act promptly to name personal representatives to the State and Defense Departments.

Eisenhower's press secretary, James C. Hagerty, told newsmen that was the substance of the general's reply to Truman's message, which was delivered at Eisenhower's vacation headquarters personally by a presidential courier.

At United Nations headquarters in New York delegates made no secret of their satisfaction with the decision. They have hesitated to make important policy decisions here on such subjects as Korea, Tunisia and Morocco, and any matter involving financial commitments which might not be acceptable to the new administration.

The U.N. people generally believe that without such consultations American foreign and defense policy would necessarily have to come almost to a halt for two months. Under present world conditions, they said, this would be intolerable.

Indications were the general's choices probably will be announced early next week. Asked whether Eisenhower already had been in touch with aides by telephone regarding the appointments, Hagerty replied:

"Of course."

Meanwhile, Eisenhower stated once again that he plans to go to Korea in an effort to find some way to end the war there.

Replying to a congratulatory cablegram from Syngman Rhee, President of the Republic of Korea, who told the general he has a standing invitation to visit the war-torn nation, Eisenhower said: "Grateful for your warm invitation. Will make certain you have timely notice of my arrival date in your country."

Allied Guns Batter Reds

Seoul, Saturday (AP)—Massed Chinese Communist guns on the Central Front were falling silent yesterday in a storm of Allied counter-battery fire unmatched in violence in the whole Korean War.

Allied artillery reasserted the mastery it had lost in the three-weeks battle of Triangle Hill and Sniper Ridge as the bruised and battered infantry of both sides crouched in the cover of the bunkers.

Farther west, Allied raider teams were on the prowl. They struck a vicious blow at Chinese atop Big Nori Hill, near Yonchon. Farther south, another raiding party caught and cut to pieces a 25-man Chinese force near Korangpo.

The Russian-trained Chinese artillerymen on the Central Front fired only about 2,100 rounds Friday, AP Correspondent John Randolph reported from the front. Only Tuesday the Reds threw in 23,000 rounds.

A cold wave moved south behind the dying winds tonight. The strongest winds were reported around the British Isles.

NATO Naval maneuvers were curtailed by the high winds which drove fishing fleets to shore in the Mediterranean.

Tiny Election Day Turnout Is Named Susan

With all the talk about the "big voting turnout" on Election Day everybody failed to notice one of the smallest turnouts of the year.

This occurred at Monroe County General Hospital where Mrs. Harry Andrews East Stroudsburg RD3, gave birth to a beautiful baby daughter.

The Andrews child was the only baby born on Election Day—apparently not a good day for future voters.

Mr. and Mrs. Andrews had decided that if the baby were a boy, they would call it "Ike."

When it turned out to be a girl, they named her Susan.

Eisenhower May Attempt Settlement Of GOP Dispute Over Senate Leader

By Roger D. Greene

Washington, (AP)—President-elect Dwight D. Eisenhower's vote-soothing talents appeared to be put to a quick test within his own party yesterday amid signs of a possible GOP row over leadership in the Senate.

There were indications that Eisenhower himself may take a hand in settling the matter at a projected meeting with Republican congressional leaders early next month.

Meanwhile late returns from Eisenhower's landslide victory in the presidential election still rolled in—with nearly complete figures showing a record-breaking total vote of almost 60 million ballots. The latest Associated Press tally showed Eisenhower with a grand total of 33,029,504 votes against 26,584,344 for his Democratic opponent, Gov. Adlai Stevenson of Illinois.

Principals in the behind-the-scenes rivalry for the post of Senate GOP leader were publicly non-committal, but at least six key senators were mentioned as prospects for the job.

The scramble was touched off when Sen. Styles Bridges of New Hampshire, the present GOP floor leader, passed the word that he would prefer to take over the less burdensome role of temporary president of the Senate—president pro tem—which ranks third in the line of succession to the White House.

Bridges, the dean of Senate Republicans, became floor leader in a peace move a year ago following the death of Sen. Kenneth Wherry of Nebraska.

Bridges agreed to serve as Wherry's successor to avert a threatened clash between the rival Taft-Eisenhower camps in the bitter pre-convention fight for the Republican presidential nomination.

Mentioned yesterday as Bridges' successor—if the New Hampshire senator steps down as floor leader—are Senators Leverett Saltonstall of Massachusetts, Homer Ferguson of Michigan, William Knowland of California, Homer Capehart of Indiana, Bourke B. Hickenlooper of Iowa and Everett Dirksen of Illinois.

Saltonstall is the only one of the six-man field of aspirants who was an early and enthusiastic booster for Eisenhower. The others either boomed Sen. Robert A. Taft of Ohio to head the GOP presidential ticket or were otherwise tardy in jumping on the Eisenhower bandwagon.

With the issue still unsettled, GOP leaders said they expect to meet with Eisenhower early next month to discuss the general's legislative program.

In contrast to possible Senate friction, harmony apparently prevailed on the House side over the allotment of key posts.

Rep. Martin is slated to become House speaker when the new 83rd Congress convenes on Jan. 3, returning to the gavel-wielding post he held during the Republican-controlled 80th Congress in 1947-48. The \$30,000-a-year job puts the speaker second in the line of presidential succession, directly behind the vice president.

Similarly, Rep. Charles Halleck of Indiana is expected to resume his old post as GOP floor leader which he held when the Republicans were last in power.

Hiss Appeals Denial Of His New Trial Bid

New York, (AP) Alger Hiss yesterday appealed a court order that denied him a new trial—and bitterly criticized the judge who issued the order as unfair.

The former state department official, serving a five-year sentence for perjury, filed the appeal in federal court here through his attorneys just a day after applying in Washington for a parole.

Hiss contended in his appeal that Federal District Judge Henry W. Goddard, in denying him a new trial early this year, had done so without fair hearing.

Chester T. Lane, attorney for Hiss, argued before Judge Goddard last January that Hiss, among other things, had been framed by Whitaker Chambers through "forgery by typewriter."

The appeal said the judge "accepted the government's unsubstantiated gossip and rumors as sufficient to controvert sworn statements of defense witnesses who were presented as ready and able to support their affidavits in open court."

Ann Roosevelt Is To Marry

Santa Monica, Calif. (AP) Anna Roosevelt Boettiger and Dr. James A. Halsted of Los Angeles obtained a marriage license here yesterday.

The only daughter of the late President Roosevelt said the wedding will be at Halsted's ranch in the Malibu Mountains north of here. Mrs. Franklin D. Roosevelt and other members of the family will attend, she said.

Former Army Sergeant On Trial For Treason

New York, (AP) John D. Provoost was pictured yesterday as condemning a fellow American prisoner of war to death because "he gave me lip and I take lip from no one."

"Provoost said that if he had his way he would have every American officer taken out and shot," Corp. Robert M. Brown testified at the former sergeant's treason trial.

Brown—right hand man to Provoost after both fell into the hands of the Japanese at Corregidor—said the defendant also wanted captive American nurses turned over to the enemy for immoral purposes.

Provoost is on trial for his life. One count of his treason indictment accuses him of betraying Capt. Burton C. Thompson to the Japanese for execution.

Brown said he heard the rumor that Thompson had been shot by the Japanese and that the story "paralyzed" him.

Claim Stassen Labor Secretary

Washington (AP)—The AFL said yesterday Harold E. Stassen is "slated" to become secretary of labor in the new Eisenhower administration.

The labor group's weekly newspaper, the AFL News-Reporter, said that Stassen seems to be the choice for the cabinet post "unless Eisenhower decides to appoint some one from labor's ranks."

"Stassen played a key role in the stop Taft drive and in the campaign for Eisenhower's nomination and election," the labor paper said.

A former governor of Minnesota, Stassen is president of the University of Pennsylvania. The Minnesota delegation to the GOP convention insured Eisenhower's nomination by switching from Stassen at the close of the first ballot.

Start Shift From Old To New Regime

By Douglas B. Cornell

Washington (AP)—President and President-elect began setting up yesterday a liaison system for shifting from the old administration to the new the vast problems of foreign affairs, defense and finance.

President Truman rushed a telegram to the man who will succeed him, asking that Gen. Dwight D. Eisenhower place representatives in the State and Defense Departments "at the earliest possible moment."

Eisenhower rushed back a reply and an aide indicated the general would select these representatives at once and get them to Washington.

Truman disclosed that he also had sent a personal messenger to Eisenhower, who is resting from campaign rigors at Augusta, Ga. A White House spokesman said Col. Albert L. Cox of the Air Force had carried to Eisenhower a written message suggesting still other "lines of co-operation" in the weeks before the general is inaugurated on Jan. 20.

Use of a military courier built up an impression that secret information too delicate to entrust to regular channels might have been flown to Eisenhower's vacation retreat in the South.

Eisenhower's press secretary, James C. Hagerty, said in Augusta that the general had replied to this message, too, that it was marked "top secret," and that one or two paragraphs related to foreign affairs and the United Nations. Other portions, Hagerty said, dealt with setting up a liaison with Eisenhower appointees.

"Truman and Eisenhower already have agreed the general should send someone to Washington to work on the budget the President must submit to Congress before Eisenhower moves into the White House. And Truman accepted today the Nov. 17 date Eisenhower tentatively suggested for the personal meeting between the two men which the President had proposed.

The presidential telegram, released by the White House, said: "Your telegram of yesterday arrived just after my messenger had departed for Augusta."

"We are evidently thinking along the same lines with regard to the transfer of the executive branch of the government."

"I will be happy to see you the seventeenth if that date is entirely satisfactory to you."

"I will appreciate your appointing the liaison men for state and defense at the earliest possible moment."

"It also will require considerable time to close up the budget and to get it ready for presentation before Jan. 18. I hope your man can report to the budget bureau as promptly as possible."

Three Judges To Be Named In This State

Washington (AP)—The appointment of three federal judges will come under the control of Pennsylvania Republicans next year.

To be filled are seats left vacant by the resignations of James P. McGranery and Guy K. Bard of the Eastern Pennsylvania District, and the death of Owen M. Burns of the Western District.

McGranery resigned when President Truman asked him to become attorney general. Bard left the bench to run as Democratic nominee for the senate. He was defeated by Sen. Edward Martin, Republican.

President-elect Dwight D. Eisenhower will make the judgeship nominations, which will have to be confirmed by the senate. But Pennsylvania Republicans will make the recommendations and Pennsylvania's Republican senators, Martin and James Duff, will have tremendous influence over the approval of any nominees by the senate.

Traditionally, all a senator has to do to kill a nominee's chances of senate approval—if the nominee is from his own state—is to say that the nominee is "personally obnoxious" to the senator.

Almost invariably senators will abide by the colleague's wishes, regardless of party.

Admits Large Gambling Loss

Chicago, (AP) A young Chicago industrialist has told of losing \$180,000 at Nevada gambling tables in eight days last month in a desperate attempt to win more than half a million dollars his company owed creditors.

Charles Leaf, 31, president of the Mid-America Steel Warehouse Co., told the story Thursday at a hearing on an involuntary petition for bankruptcy brought against his company by creditors.

Atty. Oscar A. Brotman, representing creditors seeking \$667,000 from Leaf's company, charged at the hearing that Leaf bought steel pipe and other metals with a small down payment, and then sold them below the purchase price, pocketing the proceeds.

Leaf gave this account at the hearing before Referee in Bankruptcy Wallace Streeter:

Leaf withdrew \$110,000 in his company's account and went to Las Vegas, Nev., Oct. 17, in an effort to win \$557,000 his company owed.

Playing blackjack and shooting craps, he won \$70,000 in the first few days.

Then his luck changed and he lost the \$70,000 in winnings plus his original \$110,000 stake.

Loyalty Is Emphasized This Month

November is loyalty month in the East Stroudsburg Methodist Church. The second Sunday, November 9 has been established as "Automobile Sunday." To 500 car owners, who are members of the congregation, have been distributed stickers bearing the message, "My Car for God Today" which are to be displayed in the right front window of the car and kept there for the day, signifying the cooperation of the car owners in the overall plan. The plan calls for the use of the car for Christian purposes on this second Sunday. It is expected that not only will families fill the cars, but also those lacking transportation will be sought out by members living in their vicinity who will be invited to ride with the owner to the services of this day.

In the morning service at eleven o'clock, three choirs will sing and form the processional. The church choir, a group of boys and girls in first and second grades, under the direction of the pastor and Miss Eleanor Decker, the chapel choir composed of young folks from the third to the eighth grades, directed by Miss Margaret Cramer, and the altar choir which is the Junior Chorus, directed by Mr. Ernest Michelfelder. Fall Of Man To Be Subject At CS Church

The much discussed theories regarding the fall of man will be dealt with in the Bible Lesson to be read in all Christian Science churches under the subject "Adam and Fallen Man" next Sunday, when the Golden Text will be from St. Paul's letter to the Romans, chapter 5, verse 17: "If by one man's offense death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one Jesus Christ."

The familiar 22nd verse in the 15th chapter of St. Paul's First Epistle to the Corinthians will be among the Bible selections: "For as in Adam all die, even so in Christ shall all be made alive." Among correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, is this: "The Son of the Virgin-mother unfolded the remedy for Adam, or error; and the Apostle Paul explains this warfare between the idea of divine power, which Jesus presented, and mythological material intelligence called energy and opposed to Spirit." (534:12 Thee)

An invitation is extended to the public to attend the service.

Vestry To Meet
A special meeting of the vestry of St. John's Evangelical Lutheran Church, Stroudsburg, has been called for Sunday following the morning service. Important business is to be taken up, it was announced.

Missionary To Angola To Address Methodists Here Wednesday Night

A pioneer builder of the Christian church among the Kimbundu-speaking natives of Angola—Portugal's large colony in West Africa—the Rev. August Klebsattel, pastor and superintendent in Loanda under the Methodist Church, will be the guest-speaker at Stroudsburg Methodist Church on Wednesday, Nov. 12, at 7:15 p.m. Mr. Klebsattel will speak on conditions among the peoples of Angola, where he has served for more than thirty years, being also associate secretary of the Evangelical Alliance of Angola.

In normal times, Loanda is a city of 10,000 whites and 30,000 native peoples; these numbers were greatly swelled during the war years, Angola taking a large part in the production of foodstuffs and supplies for the Allied nations. But throughout the district, of which the city of Loanda is the center, there are more than a million native tribesmen, many of them drawn from distant areas of the colony, among them the Methodist Church carries on a ministry of teaching, preaching and healing. Part of Mr. Klebsattel's work as a superintendent is the training and supervision of some scores of native Christians who have been licensed to preach and to teach in the native villages.

Mr. Klebsattel was born in Pforzheim, Germany, and was educated in the public and industrial schools of that city, in Baldwin-Wallace College, Ohio, and in Toledo University; later taking religious studies at the Kennedy School of Missions, Connecticut. He was licensed to preach by the Methodist Church in Germany, and first went to Angola from Germany in 1913. For three years, 1921 to 1923, he was pastor of a Methodist church in Elmore, Ohio, and during this period became an American citizen. His first work in Angola was as a missionary-printer for the Methodist church.

There will be no vesper service at the Stroudsburg Methodist Church tomorrow night for the congregation will join in the Community Night at the 125th anniversary of the First Presbyterian Church.

I'LL ASK FATHER

When Jimmy has a question, his first thought is, "I'll go ask Father." And Father has an answer, or if he hasn't he'll try to find it for Jimmy.

Father can't be there always to answer Jimmy's questions. But there is a Father who never goes away, who never dies—your Father, our Father in Heaven.

The boy or girl who learns to seek answers to his problems by reading the Bible and by asking his Father's will through prayer, will never be at a loss for guidance as long as he lives.

If you want your children to find this unfailing guide to a satisfying life, take them to Church and Church school. It can be your most precious gift to them.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the aid and material support. Plan to go to church regularly and read your Bible daily.

CAB Rules All American Provide Mt. Pocono With Service

Dengler Gave Testimony At Long Hearing

A seven-year renewal of the public convenience certificate for All American Airways paves the way for continued planning to gain stop-overs of the airline at Mount Pocono Airport, it was learned here this week.

The approval, dated Nov. 5, is subject to a 15-day waiting period before becoming final but in the initial decision of James S. Keith, examiner for the U. S. Civil Aeronautics Board in Washington, D. C., All American Airways is willing and able to provide service and the application for renewal was approved.

The action parallels the request of the Pocono Mountains Chamber of Commerce, Pocono Mountains Vacation Bureau and Mount Pocono Airport Authority who delegated R. LeRoy Dengler, president of the authority and director of the other two agencies to appear in Washington recently as a witness. A brief, submitted by George G. Shafer, authority attorney, was introduced at the hearing and, in addition, Dengler took the stand and gave verbal testimony on plans for the airport at Mount Pocono and the need for air service.

In his decision Examiner Keith outlined the following paragraph applicable to all Americans' sanction of the local stop and pointed out efforts by the Airport Authority to enlarge the runways at Mount Pocono. His decision follows:

"The only change All American proposes in its present authorization with respect to Stroudsburg is that it be designated for the Summer service only and that All American not be required to stop on all flights at that point during such period. All American is not currently serving Stroudsburg because of inadequate airport facilities. However, on the basis of the fact that the Mt. Pocono Airport will be improved in the near future, All American believes Stroudsburg can become a valuable vacation area and consequently desires to continue its authorization to serve that stop. All American contends that efforts to improve its service and length of hop will be unnecessarily hampered if it is required to serve Stroudsburg on all flights between New York and Scranton-Wilkes Barre.

"The popularity of the Pocono area as a summer resort is well known and in recent years the travel season has grown from the Summer season of approximately 100 days to a substantial year-round basis with special emphasis upon Winter sports. An incomplete compilation derived from the records of major resort operators in the Poconos indicates that annually some 250,000 people visit that area.

"In view of the attraction of the Poconos for tourists and the fact that a great many visit the area from New York and Philadelphia, there should be no objection to continuance of the point on All American's certificate with sufficient latitude being given the carrier to serve it as the demands of the traffic justify. Obviously a resort point such as the Poconos has a fluctuating demand and All American should be permitted to serve it on a seasonal basis. Accordingly, it is found that the public convenience and necessity require the continuance of service to Stroudsburg-East Stroudsburg and that no restriction be imposed on service to that point."

Bethlehem.—At a special convention of the Diocese of Bethlehem at the Church of Nativity here, clergymen and laymen submitted nominations last night for the position of Bishop Coadjutor in the area.

Nominations of the following were made last night: Rev. Charles Martin, Philadelphia; Rev. Merrill N. Moore, Bethlehem; Rev. Burk Rivers, St. Stephen's Church, Wilkes-Barre; Rev. W. Paul Thompson, Christ Church, Reading; Very Rev. Frederick J. Warnecke, Dean of the Cathedral of the Diocese, Newark, N. J.; Rev. Richard K. White, St. Luke's Church, Scranton; and Rev. Dean Stevenson, Dean of Leonard Hall theological seminary at Lehigh University, Bethlehem.

Following the nominations both Rev. Moore and Rev. Stevenson withdrew their names from the balloting.

With 50 ministers and nearly 175 laymen attending the special convention the second day session will open this morning at 7:30 with Holy Communion followed by breakfast in the parish house of the host church.

At this morning's business session of the two houses—the House of Clergy and the House of Laymen—will begin voting on the nominations.

Since both houses must reach a majority on the same man at the same time the balloting will consume most of the session, a spokesman indicated last night.

Bishop Frank W. Sterrett is presiding at the meeting.

Rev. Adan Bohner served as temporary chairman and announced a demonstration of the engine will occur at 1 p. m. tomorrow. A by-laws committee is scheduled to be named by the presidents.

Vote Canvass Is Completed By Officials

Announcement was made at the office of the County Commissioners at the courthouse yesterday afternoon that the members of the commission and their assistants had completed the tabulating of the vote cast at Tuesday's election around 3 p. m. The totals will be worked out this morning, it was said.

According to Mr. Taylor, there were very few errors encountered in the tabulating of the vote and consequently there were no changes from those contained in the unofficial results published the morning after election.

However, the official count for the county cannot be completed until the military ballots are canvassed Friday of next week. Inasmuch as there are only about 142 ballot as of yesterday of that nature to be tabulated, these will not make any changes in the general results, either.

The military ballots must have been mailed no later than Nov. 4, date of the regular election, and the deadline for acceptance of same is 10 a. m. Friday, Nov. 14. It is expected the commission will start making the official count at noon that day.

English Seal Used On Deed

A deed with the red seal of England and ribbon of the same color attached was filed at the office of Floyd Butz, register and recorder, at the courthouse yesterday.

The deed was filed by Mr. and Mrs. Lionel J. Noah, of New Canaan Conn., and Mr. and Mrs. Robert Holt, of Manchester, England, for the transfer of lots 11 and 12 in what is known as the C. Webster Ellenberger tract, Shawnee-on-Delaware, to Col. and Mrs. Gordon P. Savage, of Shawnee.

The fact that the Holts were co-owners of the land necessitated sending the instrument to England for their signatures and certification.

In another deed, Mrs. Lizzie Smith, of Chestnut Hill Township, transferred a lot containing 3,750 feet in that area to Mr. and Mrs. Robert Shingler, of Allentown.

Mr. and Mrs. John H. Eyer, of Hamilton Township, by their deed disposed of 1.4 acres of land on the Stroudsburg to Snyder'sville road in the area to Mr. and Mrs. Charles E. Sterner, of Barrett Township.

Incendiary Fires Are Threat To Residences In West End Community

Kresgeville.—A series of incendiary blazes threatened several homes in this vicinity Thursday but were brought under control before serious damage could be inflicted.

E. C. Pyle, district forester, said the six or eight fires which burned about 25 acres of land between here and Gilbert "were definitely set."

State police of the Brodheadsville station made a preliminary investigation and said yesterday they had nothing to report. An estimated 100 volunteer fire fighters, led by Ralph Snyder, local warden, battled the flames aided by fire companies of Trachsville and Kresgeville. The fires were brought under control in about an hour and a half, Pyle said.

High winds swept the region, in-

creasing the intensity of the flames, Pyle lauded volunteer workers for their efforts in controlling the blazes which began about 1 p. m. The section burned is known as Berger's Hollow.

The geographic center of the United States is in Smith County, Kansas.

Worthington Has Lay-Off

A temporary lay-off of 150 employees was announced last night by Worthington Mower Company.

H. G. Sanborn Jr., executive vice president and general manager of the plant, said "certain manufacturing departments are down" and blamed the shutdown on an overstock of merchandise.

Sanborn explained the lay-off is the first in four years for the Stroudsburg plant and indicated new orders presently coming in are substantial enough to warrant renewed employment on the two-shift basis in a month. He said inventory disclosed the over supply. New schedules are being prepared, Sanborn said. The plant here employs 360 persons.

Just Between Us

—By Bobby Westbrook

So you think you couldn't fill a couple of volumes with the news you can pick up, just standing on a street corner in the middle of town? Well, yesterday was no day for standing on street corners, but even so—

There was Col. Paul Fellenner—in full for his leave—and his wife, both loaded down with bags of cookies for Cynthia's slumber party. If it's like most slumber parties, Paul will be glad to get back to camp in Virginia where only bugle calls disturb the peace.

There was Mrs. Arthur Holmes, back from her trip, and a welcome sight she was, too.

Then all of a hustle, came Karen Roth and Robin trying to make an early lunch date with Mr. Roth.

Next came a cluster of Skittles, all busily explaining to Helen Savidge the finer points of bowling which she was due to try for the first time yesterday afternoon, and a rough time they gave her too.

I could tell you, too, the names of men serving as sidewalk superintendents at the new building, but maybe they weren't supposed to take quite that long for lunch.

I love this place, this time of year, especially when we sort of have it all to ourselves, and can keep track of the neighbors so handily.

Women To Be More Interesting Going Than Coming

By Nadene Walker

Paris (AP)—Tight Jersey dresses that look as if they'd accidentally been put on back-to-front were featured fashions in the De Givency collection, which would up the Paris mid-season openings tonight.

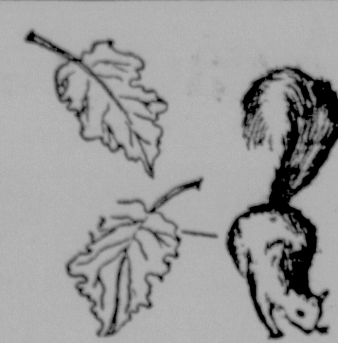

Interest has definitely migrated to the back, and Givency emphasized the fact with such tricks as low-cut backs, diagonal buttoning or fringe across the back. Fronts were primarily plain, high-necked and untrimmed. The designer even made dress fronts of a dull material, teamed with more glamorous stuff for the back. A jersey-fronted cocktail number had a decollete satin back, and an evening dress was faulle coming and velvet going.

While day dresses were pencil thin in silhouette, Givency's formal often had huge skirts with padded hips and even what looked like a framework of hoops underneath. Champagne-colored furs added a luxurious note to the show. There were quilted satins and embroidered satins, and one mannequin dangled a six-inch golden fish from her bracelet.

Armistice Day Parade, Services Are Arranged By Veterans

Activities Will Begin Tuesday 8 a.m.

Solemn services culminating with a parade originating in East Stroudsburg and concluding at Stroudsburg High School will mark the observance of Armistice Day here Tuesday.

Activities will begin at 8 p.m. when the George N. Kemp Post 316, American Legion place a wreath at the Legion monument at their Home in East Stroudsburg. They will be assisted by members of Thomas Lambert Post 2540, Veterans of Foreign Wars Stroudsburg.

Sergeants-at-arms and officers of the day of both service organizations will proceed to Stroudsburg where a wreath will be placed at the Doughboy monument in the Court House square at 8:30. Firing squad will fire a volley and taps will be sounded at the conclusion of ceremonies at both monuments.

The parade is slated to assemble at 8:30 a.m. with units meeting at East Stroudsburg High School on N. Courtland St. Division markers will form each unit where to line up and the parade will move promptly at 9 a.m.

Heading west, the six division contingent will proceed to Crystal St., down Crystal to Washington St. and directly on Main St. to Stroudsburg High School.

The entire parade column will halt when leading elements of the first division reach the intersection of Seventh and Main Sts. in Stroudsburg. Here the Grand Marshalls and colors will pay tribute to the Doughboy monument while the remainder of the column stands at attention. After taps, the parade will continue.

American Legion and VFW color guards will head the marching contingent, followed by the Grand Marshalls Elmer Heffer, 30th district commander of the Legion; Paul J. Weary, 20th district commander of the VFW; Elmer D. Christine, senior vice commander of the Dept. of Penna., VFW; Frank Weller, Eastern county council, VFW; Fred Hoffman and Albert Reisenwitz, respective commanders of the VFW and Legion; Stanley Siproth, Central vice commander of the 28th Division and Robert Shaw, commander of the Marines.

Stroudsburg High School band and Boy Scouts and Cub units will form the first division, headed by Vincent Marek as marshal. In the second division the VFW band, post members and auxiliary and Marine Corp League and Juniors will be headed by Howard Marshall as marshal.

Smithfield Consolidated School band, the school units and Civil Air Patrol groups will comprise the third division, headed by Marshal Herman Phillips. State Teachers College band and Girl Scouts will be included in the fourth division, led by William Loder, marshal.

American Legion Drum and Bugle Corps, post and auxiliary members and Post 57, Society of the 28th Division will form the fifth division, in charge of Paul Berner, marshal. East Stroudsburg High School band and Salvation Army Sunbeams and Cubs will comprise the last group, headed by Marshal George Mosher.

Stroudsburg will be host for this year's affair, and in subsequent years the parade program will alternate between the two boroughs. Howard Mount, local Veterans Affairs director is chairman for the parade and services, assisted by Earl Palmer. In the event of inclement weather marchers have been advised to report to schools where their units are scheduled to participate in ceremonies after the parade.

Police School Is Arranged

The auxiliary police school planned by Harry Werkheiser, Civil Defense director in Pocono Township, held its first session at the fire hall, Tannersville, Thursday night of this week. An enrollment of 23 persons was anticipated.

The school is in charge of Sefel-Hill, of Palmerton. Eight sessions are listed of two hours each at the fire hall each Thursday night at 7.

Announcement was made at the CD office at the courthouse yesterday afternoon that 40 members of the fire school at Marshalls Creek and 24 for the school at Mount Pocono had been certified as graduates.

Warriors Score Twice In Fourth Period To Win, 13-0

Ithaca, N. Y., (AP)—East Stroudsburg State Teachers scored twice in the final period last night to defeat the luckless Ithaca College football team, 13-0.

The game wound up the season for the Ithacans, who lost six and tied one without a win.

East Stroudsburg now has a record of three wins and two setbacks with one game left on the schedule.

Life of Riley

By JIM RILEY
Sports Editor

Depending on the weather, a crowd of anywhere between 5,000 and 8,000 people can be expected to be on hand for the Thanksgiving Day grid battle between Stroudsburg and East Stroudsburg High Schools. There is little doubt that this year's clash of the two grid machines will draw the largest group of paying customers in the history of the event and one of the major reasons is the fact that the game is being played on Thanksgiving Day. Stroudsburg has three games remaining on the agenda, including today's battle at Slatington, while East Stroudsburg has two more contests to be played this year.

This scribe would like very much to see a match race between Karl Weingartner and Bill Bailey of Stroudsburg and Dick Merring and Jim Kintz, both of East Stroudsburg High. The course would be the regular length of the gridiron and each contestant would be operating under full football equipment. This race would serve to settle many arguments and friendly wagers in the area, as all four can really pick 'em up and lay 'em down. Weingartner is the only one of the quartet scheduled to return for more grid action next season.

Boyd Weiss Jr. took several of his fox hounds to Kentucky for the National Championship field trial, but on his arrival found that the trials had been postponed because of dry weather. Authorities had telephoned Boyd to explain that the trials had been postponed, but Weiss departed before the call was received. Boyd and John Schoonover, operators of Chipperfield Kennels, have had extremely good fortune at many of the fox hound shows in various sections of the east. The local kennel has many trophies and awards to show for its efforts.

East Stroudsburg High has had two good scrimmages the last two days and might have one more before tampering off for the clash with Nazareth next Saturday. The Cavaliers enjoy an open date on their schedule this weekend. Paul "Candy" Miller, injured member of the East Stroudsburg team, who recently finished a long stay at the Monroe County General Hospital, is present at all the practice sessions, but of course his scholastic football days are finished. Jack Kist, East Stroudsburg grid coach, is sporting a new car.

Tommy Williams, on the road to recovery after a broken collarbone, is hopeful of playing first string basketball for the Pocono High School entry in the Monroe County League this winter. Fred Tallada, who formerly played on the same Pocono High cage machine, is scheduled to enter Uncle Sam's Navy in the near future. Dick Emanuel is anxiously watching the outcome of each Penn State grid battle this year, while Son Garry does his work in the sophomore class of that college. Bill Wilcox, junior varsity football coach at Stroudsburg High, will be absent from his post on Monday, due to the death of his father in Bradford, Pa., yesterday.

Billy Soose, former middleweight champion who operates a summer resort at Lake Wallenpaupack, has given up his boxing and pro wrestling enterprise. The boxing arena at Soose's hotel has been torn down. Bill is well known in Monroe County. Just when Bob Staph, Daily Record correspondent in the Newfoundland area, was ready to throw in the towel, his New York grid Giants jumped back into a tie with the Cleveland Browns for the conference lead. It's the Yanks in baseball, but the Giants in football for the Penn State graduate, who apparently knows how to pick 'em.

Authorities at Stroudsburg High are to be congratulated on attempting to break the football deadlock that will hold Stroudsburg and East Stroudsburg in its grasp a week from today. The Mountaineers had requested Northampton to play at Gordon Giffels field next Friday night, and the Konkrete Kids had accepted. However, it was later found out that the band parents had scheduled a cake walk at Stroudsburg High on Friday, November 14, so the game had to be returned to its original Saturday date. Stroudsburg was attempting to break the deadlock which featured Stroudsburg-Northampton, East Stroudsburg-Nazareth and ESSTC-Arnold on the former's field in each case.

Stroudsburg High's gym has taken on the new look, as has the one on N. Courtland St. The W. Main St. court is painted maroon in both "keyholes" and in the center circle, which also features a white "S". The court features a green border line and a red and white restraining line. The Mountaineers will also feature a sleek new scoreboard this season, which has all the basketball fans talking about its fine makeup. Add to this the fact that Sam Russell, Stroudsburg cage mentor, is tickled pink with the recent election and the basketball situation on W. Main St. looks plenty good.

John DeVivo has been doing an outstanding job as equipment man and trainer for Stroudsburg High this year. Those that know, claim that it's been DeVivo's ability with tape and bandages and knowledge of bumps and bruises that have enabled Karl Weingartner and Lou Hoover to show such marked improvement after knee injuries.

Marcune Decisions Compo

New York (AP)—Aggressive Pat Marcune of Brooklyn racked up his fifth straight victory by whaling his two-time conqueror, Eddie Compo of New Haven, in a nationally televised 10-rounder last night at St. Nicholas Arena. Marcune, a 13 to 5 underdog, weighed 150½ to Compo's 131½.

The busy Brooklyn game cock piled up a big lead in the early rounds, fired in the middle of the lively bloody scrap and then came on again to win the decision going away over his battle scarred foe.

Drops Foe

Marcune dropped swarthy Eddie in the ninth round for the

mandatory eight-count and gave him a good shelling. Patty started blood flowing from Compo's nose in the second round and opened a cut over his right eye in the third round. Every time Marcune hit Compo in the face from then on, blood sprayed over the ring. The unanimous decision was cheered by the capacity crowd of 3,472 which paid \$8.497 for the benefit show. Referee Al Ebel had it 7-3; Judge Harold Barnes 7-3; and Judge Americo Schiavone, 6-4. The AP scorecard had Marcune front 7-3.

Stroudsburg High Invades Slatington

Mountaineers Search For Fifth Verdict

Stroudsburg High will go in search of its second straight victory and fifth of the present campaign today, when the Mountaineers invade the home domain of Slatington High. The kickoff is scheduled to take place at 2 p.m.

Coch Jerry Stulgaitis announced last night that his Mountaineers were in top physical condition and ready to go against a Slatington team that has shown improvement with each passing Saturday.

The poular Stroudsburg High grid mentor said that he would stick with the same lineup that

has accounted for the most damage in the Mountaineers' string of four victories and three setbacks.

Dave Nevil will be at left end, Bill "Mighty Moe" Norman, left tackle; Jim Driebe, left guard; Lou Hoover, center; Russ Bachman, right guard; Dick Campeotto, right tackle, and Captain Al Adelmann will handle the right end duties.

The backfield will feature Karl Weingartner at quarterback; Don Garaventi, left half; Benny Miller, right half, and Bill Bailey at the fullback post.

Tom Berger and Carl Hagerty will move into the line, while Jack Whittle handles the right half defensive post, with Clyde Pyle, center, and Elmer Strong, fullback, backing up the line when Slatington is moving the ball.

Spirit is reportedly high in the Stroudsburg camp at the present time and the Mountaineers are anxious to run up the victory flag for the fifth time this season.

Stroudsburg has won over Lehigh, Bangor, Pen Argyl and Catawissa thus far this season, while bowing to Emmaus, Palmerton and Whitehall.

The Mountaineers entertain Northampton at Gordon Giffels field next Saturday, then wind up the season in the Thanksgiving Day struggle with East Stroudsburg, at Memorial Stadium.

ESSTC Soccer, Field Hockey Teams Risk Unbeaten Marks

College Misericordia stands between East Stroudsburg State Teachers College and a perfect field hockey season today and the Warriors will be out to shove this obstacle aside when the two rivals meet at Dallas, Pa., at 2 p.m.

The Warriors will go into today's match without the services of Nancy Noll, left wing, who is hampered by a knee injury, and Mary Jane Zimmerman, the regular goal tender. Zimmerman was recently named to the first All-College team, while Noll and Ethel Meyer, team captain, were selected on the third All-College contingent.

Coach Katherine Griffith's club has marched through Ursinus, Bangor and Lock Haven without a setback and today's match is the final clash on the agenda.

Katherine Sokel will replace Noll at left wing, while Ann Caruso takes over in goal for Zimmerman. Otherwise the lineup will be the same as the one that has carried the bulk of the load this season.

This means that Grace Ashberry will be at left inner; Marjorie Morrell, center forward; Edna Mae Michener, right inner; Joanne Lythgoe, right wing; Virginia Eisenbrey, left half; Elaine Hardenbergh, center half; Meyer, right half; Shirley Wiley, left fullback, and Ann Merritt, right fullback.

The national field hockey tournament will be held at Sweet Brier College, at Sweet Brier, Va., from November 27 through 30.

Shippensburg, Millersville, Wilson College and Penn Hall are the colleges taking part in the tournament.

Bangor Plays Host To Northampton

Bangor — Northampton High's powerful grid machine will bring a streak of five straight victories to Memorial Park today, when the Konkrete Kids step out of the Lehigh Valley League to do battle with the Bangor entry in the Lehigh-Northampton League. The kickoff is scheduled to take place at 2 p.m.

Northampton, an annual power in Lehigh Valley football, has suffered only one setback this season, bowing to Phillipsburg early in the campaign. This same Northampton contingent tangles with Stroudsburg High next Saturday, at Gordon Giffels field.

Bangor gave an outstanding demonstration before dropping a 7-0 decision to Nazareth last Saturday, but the splendid effort cost the Slayers the services of several key performers, who have been forced to the sidelines with injuries.

Joe Heard, an end, suffered an injured back against Nazareth and will certainly miss today's battle. George Daily, a defensive tackle, is also scheduled to see today's contest from the sidelines with a bruised leg. Bob LaPenna, an end who has been on the injured list most of the present campaign, will continue to ride the bench today.

Practice Injury As the absence of Heard, Daily and LaPenna wasn't enough, Coach Granville "Granny" Evans learned that Ralph Stanlake, a tackle, was hurt in practice on Thursday and probably won't be available for action today either.

However, Evans did announce that he is hopeful of using Ronnie Miller, who played against Nazareth for the first time this season, because of a broken ankle, much more than he did in last week's contest.

George Dalessandro will handle the quarterback post for the Slayers, while hard running Jack Finelli operates at left halfback and Tony Falcone runs out of right half. Mike DeVito will handle the fullback chores.

Reliable Joe D'Imperio and Lou Casciano will be forced to do full-time duty at the end posts, while Tom Williams and Rocco Cinelli play the offensive tackle berths. Joe Yannuzzi and Nick Castellucci will open at the guard slots and Jim Rowlands will be at center.

This is the first time since 1935 that Bangor and Northampton clashed on the gridiron. The eight games played between the two schools were from 1924 to 1935, with Bangor having won five times, last two and tied one.

Northampton, after bowing to Phillipsburg, had no trouble sweeping over Emmaus, Whitehall, Slatington, Palmerton and Lehighton, while Bangor won over Catawissa, Palmerton and Coplay.

President Of Kentucky's Alumni Association Blasts Punishment Of School's Court Squad

Louisville, Ky., (AP) — The president of the University of Kentucky Alumni Association said last night the school could have escaped with a mere reprimand in the national sports scandals "if it had been ignoble enough to toss Adolph Rupp to the wolves."

William H. Townsend told a Louisville Alumni meeting the Kentucky basketball coach is "clean as a hound's tooth."

Still angry over Kentucky's forced cancellation of its 1952-53 basketball schedule, Townsend said he, like other Kentucky fans, will accept the punishment, "but I accept with damned poor grace."

The Lexington attorney said Kentucky, had it dismissed Rupp, could have won forgiveness from those Southeastern Conference schools "who have had their ears beaten down in basketball over the years . . . there's no doubt that we could have gotten off much lighter."

No Names

Townsend didn't mention by name either the Southeastern Conference or the National Collegiate Athletic Association, both of whom have penalized U-K. But he asserted that Kentucky's punishment had been "stacked against us by people whose

schools are much deeper involved."

The University of Kentucky cancelled its 21-game basketball schedule Monday after the school was placed on probation by the NCAA.

The NCAA, charging that Kentucky basketball players had received pay in addition to athletic scholarships and that coaches knowingly played ineligible men, recommended that association members not compete with Kentucky in basketball this season.

Kentucky's basketball team previously had been suspended by the SEC.

Craig Leads In Scoring Race

Johnstown, Pa. (AP) — Bob Craig, of Lock Haven Teachers College leads the scorers today in the Pennsylvania State Teachers College Football Conference with 64 points from seven touchdowns.

Craig, a senior from Pottsville, scored all of his team's touchdowns last week as the Bald Eagles nosed out Indiana 20-19. He took the lead away from Earl Hersh of West Chester.

Hersh, co-captain of West Chester, is in second place with five touchdowns and four conversions for 34 points.

Crowe's Five To Roll

Camden, N.J. (AP) — The 10th renewal of New Jersey's richest horse race, the \$50,000 added Trenton Handicap, will be run at Garden State Park here today with Altered from the Hampton Stables and Greek Ship, Brookmeade Stable star, looming as the public choices.

New Jersey Sets Down Trainer

Camden, N.J. (AP) — Trainer E. W. King has been suspended by racing stewards at Garden State Park pending an investigation of charges he stimulated the winner of the eighth race here last Saturday, New Jersey racing authorities said yesterday.

Test

Charles Sheehan, New Jersey racing secretary, said that a urinalysis test on Coyote, owned by Mrs. S. G. Stecker, "showed definite traces of benzadrine" after Coyote won the eighth race. Coyote won by a head over Bright Omen, paying \$10.50, \$5.80 and \$4.20 across the board.

A description of the race said that Coyote "was hard punished" to win.

State Favored Over Syracuse

Syracuse, N. Y. (AP) — Penn State, mentioned as an outside possibility for a Sugar Bowl berth, is a touchdown favorite when it meets Syracuse today in one of the east's top games this weekend.

Large Crowd

The contest—the 30th in a series—will pit State's Tony Rados and Syracuse's Pat Stark in an expected passing duel and will offer a clash of two versions of the winged-T offense. The Nittany Lions operate from a conventional balanced line, while Syracuse attacks from an unbalanced style.

An estimated 22,000 fans are expected for the 1:30 p.m. tussle in Archbold Stadium.

Both teams have lost in collegiate competition only to Michigan State, the number one team in the country in the Associated Press football poll.

Syracuse, however, dropped one other contest to a Bowling Field Air Force team staffed by pros and former college stars.

Syracuse has defeated Holy Cross, Cornell, Boston University and Temple.

State ledched Pennsylvania, Temple, Nebraska, William and Mary, and West Virginia and tied Purdue.

Oklahoma Tangles With Notre Dame On TV As Nation Produces Host Of Top Grid Battles

New York, (AP)—The Oklahoma football team, which has been drawing rave notices from the fans in its own territory and up-and-coming Notre Dame are ready to give each other—and the NCAA television program—the big test today.

By and sort of standards, it's the big game on the collegiate football program, which features a flock

Hassler Beagle Leads Field

Hassler's Little Jim, the 13 inch AKC registered beagle, known at the 1952 trials as the most outstanding hound, returned to his kennel yesterday hearing the most honored title ever to be crowned upon a Beagle-Field Champion.

He acquired his championship at Deluca Beagle Club, Glassboro, N. J. recently, under the handling of Joseph Freed, Reading.

A total of 129 AKC points are required for the champion title, but Little Jim had 283 points racked up after the totals were tallied.

Most beagles are retired, upon this achievement, but Marvin Hassler, the proud owner of Jim, reports he will only be retired from licensed trials and continue to compete in sanctioned AKC trials; since the hound is only three years old.

Hassler is a resident of 620 Wicaw Ave., Stroudsburg.

Mat Coaches To Meet

Bethlehem — Lehigh University will be the scene of the annual meeting of the Eastern Intercollegiate Wrestling Coaches Association November 28 and 29, Gerald Leeman, Lehigh wrestling mentor, announced yesterday.

Plans

Plans for the 1952-53 intercollegiate wrestling season will be discussed at business sessions scheduled for November 28.

An open house wrestling clinic for scholastic and collegiate coaches and contestants will be held November 29 in Taylor Gymnasium.

Officers of the association are: Ralph G. Anderson, Brown University, president; Karl Kilt, United States Naval Academy, vice-president; Frank F. Finger, University of Virginia, secretary-treasurer.

Patty Defeats French Star

Paris (AP) — Jean-Noel Grinda, France's 16-year-old tennis marvel, was no match yesterday for Budge Patty, seasoned American star, who whipped the French youth in straight sets, 6-2, 6-4, 6-2.

Semi-Finals
They were playing in the semi-finals of an indoor tennis tournament here.

of intersectional contests, and for the first time the "big" game is the one selected before the season to be televised nationally.

The result is that millions of fans will have their choice between staying at home to see these hotshots or sitting in a chilly stadium to watch their local favorites in games of lesser importance.

Full House

Television won't affect the attendance at South Bend, of course. The game has been a sellout since August and 57,000 fans will be on hand to get a look at such stellar performers as Oklahoma's Eddie Crowder, Buck McPhail and Billy Vessels and John Latner and Ralph Gugliemi of Notre Dame.

Neither will it affect the crowd in Atlanta where bowl-bound Georgia Tech takes on Army. The lure of Army's first visit to the south made this an early sellout even though it hardly figures to be much of a contest.

Some other naturals that ought to draw huge crowds are Southern California-Stanford, California-Washington and Nebraska-Kansas. Two of them involve teams of top-10 ranking USC and Kansas against respectively strong opposition while the third offers a test of Don Heinrich's passing prowess against the tough California defense.

The Oklahoma - Notre Dame struggle involves a pair of first-10 teams. Oklahoma was listed fourth in this week's Associated Press ranking poll, behind Michigan State, Maryland and Georgia Tech, while Notre Dame was 10th. These two uncommon teams have had two common opponents. They both beat Texas, but the Sooners were able to roll up a score while Notre Dame barely won. Oklahoma knocked off another 40-point tally against Pittsburgh, which bounced back to hand the Irish their only defeat.

There isn't much trouble in sight for the other high ranking teams. Michigan State, which held the lead in spite of a squeaker against Purdue, faces a battered Indiana. Maryland has a day off. Fifth-rated UCLA should have an easy time against Oregon State while Tennessee and Purdue, ranked eighth and ninth, figure to win handily from Louisiana State and Minnesota.

The list of important intersectional tussles includes Georgia at Pennsylvania, Clemson at Fordham, Navy at Duke, Mississippi at Houston, Wake Forest at Texas Christian, bowl-conscious Villanova at Tulsa, Cornell at Michigan, Wyoming at Kansas State and, if you draw the sectional lines sharply, Pitt at Ole Miss.

Arch Rivals

For those who like their football decorated with ivy, Harvard and Princeton, both with good records, clash in their 75th anniversary game; Wesleyan and Williams resume the ancient "Little Three" series and Virginia and North Carolina play the 57th game in one of the south's oldest rivalries.

Other games of special interest include Columbia-Dartmouth in the Ivy League and Penn-State-Syracuse, Holy Cross - Colgate and Temple-Boston U., among the leading eastern independents. Iowa plays Illinois and Northwestern meets Wisconsin in a pair of Big Ten tussles and Missouri, the Big Seven leader, faces on Colorado, the team 10-0 and Oklahoma at the start of the season.

The tangled Southwest Conference race may be straightened out a bit by the Texas-Baylor, Rice-Arkansas and Texas A. and M.-Southern Methodist games. The south has Kentucky-Tulane, Mississippi State-Auburn, Chattanooga-Alabama, West Virginia-VMI, William and Mary-Virginia Tech, Richmond-Davidson, North Carolina State-Washington and Lee and South Carolina-Citadel.

New York, (AP)—The big bowl sponsors may be making secret go-go eyes at Maryland and Oklahoma but these "taboo twins" of college football aren't winking back, it appeared yesterday.

"Maryland still will say 'no' to a bowl invitation and we will not initiate any proceedings to anybody in the Southern Conference for permission," said Coach Jim Tatum of the second-ranked Terrapins.

No Pressure

Both teams are barred by rulings of their respective conferences from post-season activity, but there have been increasing rumors that last-minute steps may be taken to lift the barriers.

Young "Bud" Wilkinson, coach of fourth-ranked Oklahoma, said in Norman, Okla.: "We have not received any feelers or invitations to play in any post-season bowl games."

Harry Leida Is Winner In Photo Contest

An East Stroudsburg draftsman, Harry V. Leida, 420 King St., has been declared a winner in the \$25,000 prize contest sponsored by "Photography" magazine, it was announced yesterday by the Ziff-Davis Publishing Co.

This is Leida's second major award in national contests. Last spring he won a prize in the contest sponsored by "Life" magazine.

The local photographer's black-and-white entry, shown here, has been awarded a \$100 bond and certificate of award by the contest judges.

Leida, widely-known as an expert amateur lensman, has been actively engaged in photography as a hobby for the past six years.

A Navy veteran of World War II, Leida is secretary of the Pocono Camera Club. His work has appeared in magazines, brochures, books and in "The Daily Record" during the past five years.

Employed by the Line Material Co., East Stroudsburg, Leida is a native of that borough, the son of Mr. and Mrs. Lester Leida.

The prize-winning photograph reproduced here will be included in the special contest issue of "Photography" which will appear on newsstands Monday, Nov. 10.

Officials of the magazine describe the 1952 contest as the largest it has ever run. A record-breaking 73,297 entries from every state and territory of the U. S. and virtually every nation in the world outside the Iron Curtain were drawn by the contest.

Exhibits of winning photos in the contest will open Monday, simultaneously with the publication date of the magazine.

Two large shows are planned—one for Grand Central Station and the other in the windows of the International Business Machines building in New York.

Other shows will be opened on the Pacific coast and in nine other locations throughout the country. Touring "shows" will also be set up by the magazine's editorial board.

Leida's photograph will be included among those used to make up the travelling exhibits as well as the principal shows planned for New York City and Los Angeles.

Open house night at the East Stroudsburg State Teachers College Laboratory School has been scheduled for Thursday, Nov. 13 from 7 to 8:30 p. m.
